Natural Gas Pipeline Company of America LLC Available

Capacity Commencing May 2019

This grid is for **Informational Purposes only** and shows available capacities as of April 22, 2019. The available capacities are subject to change without notice and the award of any capacity is subject to applicable capacity award procedures in the General Terms and Conditions of Natural's FERC Gas Tariff. Firm backhaul capacity is generally available southbound on the AM System and East to West on the AG Line. For further information regarding available capacity and specific transportation requests, please contact your Account Director.
