

Kinder Morgan and Trailstone began commercial operations of the Banquette Hub on November, 1 2018.

Kinder Morgan and Trailstone are each 50 percent partners in the Hub and Trailstone is the commercial manager for the Hub transactions.

The Hub concurrently has connections with TGP, NGPL, Southcross, Enterprise and KM Tejas. The HUB is designed to provide 300,000/d of wheeling service and has market based rates approval from the FERC.
