Re: Colorado Interstate Gas Company, L.L.C.
Docket No. CP18-94-000
CIG 2018 Line Nos. 5A and 5B Expansion Project
Weekly Environmental Inspector Report No. 26

Commissioners:

Colorado Interstate Gas Company, L.L.C. ("CIG") is hereby filing with the Federal Energy Regulatory Commission ("Commission") in Docket No. CP18-94-000 its Weekly Environmental Inspector Report related to the CIG 2018 Line Nos. 5A and 5B Expansion Project.

Description of Proceeding

On February 27, 2018, CIG filed a prior notice request, pursuant to Sections 157.205, 157.208(b), and 157.210 of the Federal Energy Regulatory Commission's ("Commission") Regulations under the Natural Gas Act to modify certain existing compression facilities located at the Cheyenne Hub in Weld County, Colorado. The project is referred to as the "CIG 2018 Line Nos. 5A and 5B Expansion Project" or "Project." On March 9, 2018, the Commission issued a Notice of Request Under Blanket Authorization initiating the 60-day comment period to allow for any person or Commission's staff to file motions or notice to intervene and protests. No protests were filed with the time allowed therefore, the Project was deemed authorized on May 9, 2018.

Submittal of Environmental Inspector Report

In compliance with Section 157.208(c)(10) of the Natural Gas Act, CIG is providing Environmental Inspector Report No. 26 for the period of December 16, 2018 through December 22, 2018.

Colorado Interstate Gas Company, L.L.C.
CIG 2018 Line Nos. 5A and 5B Expansion Project
Docket No. CP18-94-000
Weekly Environmental Inspector Report No. 26

Reporting Period: 12/16/2018 thru 12/22/2018

Environmental Inspector: Tom Blandi

Construction Status: The contractor continued to build the pad for the bi-directional manifold. Water bars were installed on the ROW of the 24-inch pipeline. Erosion control devices were installed as necessary.

Grading: N/A

Erosion Control: All erosion controls were inspected and are performing as expected.

Work Planned for the Following Reporting Period (12/23/18-12/29/18): The construction contractor will not work through the holidays. The contractor will install final erosion control devices and replace topsoil to the pad sites once they return to the site.

Correspondence from Federal, State, and Local Agencies Concerning Compliance

Issues: No federal, state or local permitting agency has notified CIG of instances of noncompliance.

Landowner Complaints: There were no landowner/resident complaints received during the reporting period.

Environmental Training: Environmental training was provided to 2 employees during site safety orientation. To date a total of 285 employees have received environmental training.
