Re: Elba Express Company, L.L.C.
Supplement to Order 587-AB Compliance
Docket No. RP26-1154-000

Dear Ms. Reese:

On August 31, 2026, Elba Express Company, L.L.C. ("EEC") submitted a filing in the above-referenced docket ("August Filing") to comply with the Federal Energy Regulatory Commission's ("Commission") Final Rule in Docket No. RM96-1-044 ("Order No. 587-AB").[1] In the August Filing, EEC requested a continuation of waivers, variances, and extensions of time for certain NAESB standards. It has come to EEC's attention that Order No. 587-AB revised only three NAESB Version 4.0 standards and that NAESB Version 4.0 otherwise remains in effect. Consequently, the variances, waivers, and extensions of time that the Commission previously granted EEC in the NAESB Version 4.0 proceeding remain valid[2] and EEC unnecessarily requested continuations in the August Filing. Accordingly, EEC withdraws its requests for variances, waivers, and extensions.[3]
