

Elba Express Company, L.L.C.

Rates

Effective October 1, 2023

I. FIRM TRANSPORTATION SERVICE (FTS)

Reservation Charge (per Dth of Transportation Demand per Month)	\$8.0776	Notes: 1. ACA Charge is revised annually to be effective October 1. 2. Fuel is filed annually to be effective April 1, but can be filed more often at EEC's discretion. Annual fuel true-ups are either billed or paid to Shippers pro rata based on receipts. 3. If and when EEC has electric compression, it will try to file the EPCA when it makes its fuel filing. 4. GRO (2016 Expansion) applies to firm service provided pursuant to the expansion authorized in Docket No. CP14-115, including released expansion capacity. 5. Either GRO (North-to-South) or GRO (South-to-North) applies to ITS and non-expansion FTS based on nominated direction of flow. 6. ** LAUF applies to all transportation services.
