Re: El Paso Natural Gas Company, L.L.C.;
Docket No. CP19-30-000
Kiwanis Delivery Meter Station Project
Weekly Environmental Inspector Report No. 6

Commissioners:

El Paso Natural Gas Company, L.L.C. ("EPNG") is hereby filing with the Federal Energy Regulatory Commission ("Commission") in Docket No. CP19-30-000, its weekly status report related to the Kiwanis Delivery Meter Station Project ("Project").

Description of Proceeding

On December 21, 2018, EPNG filed a prior notice application pursuant to sections 157.203(c), 157.205, 157.511(a)(2) and 157.211(b) of the Commission's regulations under the Natural Gas Act and EPNG's blanket certificate issued in Docket No. CP82-435-000 for authorization to construct a delivery point located in Maricopa County, Arizona. The delivery point will permit the transportation and delivery of natural gas to United Dairymen of Arizona which is currently being served by Southwest Gas Corporation, the local distribution company. On December 27, 2018, the Commission issued a Notice of Request Under Blanket Authorization initiating the 60 day comment period to allow for any person or Commission's staff to file motions or notice to intervene and protests. Since no protests were filed within the comment period, the Project was deemed to be authorized on February 26, 2019.

Submittal of Status Report

In compliance with Section 157.208(c)(10) of the Natural Gas Act, EPNG is providing Environmental Inspector Report No. 6 for the period of April 21, 2019 through April 27, 2019.

PNG Weekly Environmental Inspector Report No. 6		
Docket No. CP19-30-000
