Federal Energy Regulatory Commission
888 First Street, N.E.
Washington, D.C. 20426

Attention: Ms. Debbie-Anne Reese, Secretary

Re: El Paso Natural Gas Company, L.L.C.
Docket No. CP24-520-000
Request for Extension of Time

Dear Ms. Reese:

On September 17, 2024, El Paso Natural Gas Company, L.L.C. (“EPNG”) filed a prior notice request, pursuant to Section 7 of the Natural Gas Act (“NGA”) and Sections 157.205, 157.208 and 157.210 of the Federal Energy Regulatory Commission’s (“Commission”) Part 157 blanket certificate regulations, seeking authorization to construct, install and operate the new Haystack Compressor Station and appurtenances to be located in Yavapai County, Arizona (“Maricopa Lateral Expansion Project” or “Project”).¹ On July 24, 2025, the Commission issued an Order Denying Protest and Authorizing Construction under EPNG’s blanket certificate.² As described below, EPNG respectfully requests an extension of time, pursuant to Section 157.206(c), to complete construction activities of the Project.

Request for Extension of Time

After receiving the necessary approvals from the Commission on July 24, 2025, EPNG encountered delays associated with securing the necessary easement agreements for the compressor station site. This delay resulted in EPNG not being able to start construction on the Project until December 1, 2025. As a result, EPNG will not be able to meet the project completion date within one year of the date the Project was authorized, i.e., July 24, 2026.

Therefore, pursuant to Section 157.206(c) of the Commission’s regulations, EPNG is respectfully seeking an extension of time until October 1, 2026 in which to place its Project facilities into service. The additional time is necessary to allow completion of EPNG’s Project construction and facility commissioning activities.

¹ On October 1, 2024, the Commission issued a Notice of Request Under Blanket Authorization initiating the 60-day comment period. Protests to the Project were timely filed and not withdrawn during the reconciliation period.

² See *El Paso Natural Gas Company, L.L.C.*, 192 FERC ¶ 61,078 (2025).

Filing Information

EPNG is e-Filing this request with the Commission's Secretary in accordance with the Commission's Order No. 703, *Filing Via the Internet*, guidelines issued on November 15, 2007 in Docket No. RM07-16-000.

Respectfully submitted,
WYOMING INTERSTATE COMPANY,
L.L.C.
