Federal Energy Regulatory Commission
888 First Street, N.E.
Washington, D.C. 20426

Attention: Ms. Debbie-Anne A. Reese, Secretary

Re: Motion to Place 2025 Settlement Rates Into Effect;
El Paso Natural Gas Company, L.L.C.;
Docket No. RP19-73-

Commissioners:

In compliance with El Paso Natural Gas Company, L.L.C.'s ("EPNG") Stipulation and Agreement filed in Docket No. RP19-73-006 ("Settlement"), EPNG hereby tenders for filing and acceptance by the Federal Energy Regulatory Commission ("Commission") the tariff records listed in Appendix A for inclusion in EPNG's FERC Gas Tariff, Third Revised Volume No. 1A ("Tariff"). Proposed with an effective date of January 1, 2025, these tariff records are filed to implement the firm and interruptible rates set forth in the Settlement.

Reason for Filing

On November 18, 2022, EPNG filed its Settlement with the Commission. Among other things, the Settlement established new rates for firm and interruptible services that would take effect according to the timing set forth in Article 2.1 of the Settlement. Article 2.4 of the Settlement addressed the implementation of settlement rates and stated that the Commission's order approving the Settlement and making it effective would constitute all authority necessary for EPNG to place into effect the *pro forma* tariff records attached therein.¹ On January 1, 2023, the Commission issued an order approving the Settlement and directing EPNG to file actual tariff records consistent with the terms of the Settlement ("Settlement Order").² Accordingly, EPNG is submitting this filing to motion into effect the *pro forma* settlement rates for the period beginning January 1, 2025. The rates shown on the attached tariff records are identical to those submitted with the Settlement and approved by the Commission's Settlement Order.

¹ On December 12, 2022, EPNG motioned to place the initial settlement rates into effect for January 1, 2023. The Commission accepted this motion filing on December 21, 2022 in Docket No. RP19-73-007. (*El Paso Natural Gas Co.*, 181 FERC 63,028 (2022).) Similarly, EPNG filed a motion on November 28, 2023 to place the settlement rates for the calendar year 2024 into effect beginning January 1, 2024. The Commission accepted this motion with an unpublished letter order on December 15, 2023 in Docket No. RP19-73-009.

² *El Paso Natural Gas Co.*, 182 FERC ¶ 61,045 (2023).

Description of Filing

EPNG is submitting the following tariff records pursuant to Subpart C of Part 154 of the Commission's regulations.³

Part II, Sections 1.1 through 1.9 display the Settlement rates applicable to firm and interruptible services beginning January 1, 2025.

Procedural Matters

In accordance with the applicable provisions of Part 154 of the Commission's regulations,⁴ EPNG is submitting an eTariff XML filing package, which includes the following:

- a) a transmittal letter;
- b) Appendix A, a list of the proposed tariff records; and
- c) clean and marked versions of the tariff records in PDF format.

EPNG respectfully requests the Commission accept the tendered tariff records for filing and permit them to become effective on January 1, 2025, which is not less than thirty days nor more than sixty days following the submission of this filing. With respect to any tariff records the Commission allows to go into effect without change, EPNG hereby moves to place the tendered tariff records in to effect at the end of any minimal suspension period established by the Commission.

Correspondence and communications concerning this filing should be directed to:

Ms. Shelly L. Busby
Director, Regulatory
