Re: Non-Conforming Negotiated Rate Agreement Update;  
El Paso Natural Gas Company, L.L.C.;  
Docket No. RP19-

Commissioners:

El Paso Natural Gas Company, L.L.C. ("EPNG") hereby tenders for filing and acceptance by the Federal Energy Regulatory Commission ("Commission") the tariff records listed below for inclusion in its FERC Gas Tariff, Third Revised Volume No. 1A ("Tariff"):

Section 33.1 Southern California Gas Company #611367 Exh A Version 3.0.0  
Section 33.2 Southern California Gas Company #611367 Exh B Version 3.0.0

Proposed with an effective date of March 1, 2019, these tariff records update EPNG's Tariff to reflect a temporary point redesignation request on an existing non-conforming, negotiated rate transportation service agreement ("TSA") between EPNG and Southern California Gas Company ("SoCal"). EPNG respectfully requests a waiver of the 30-day notice requirement to effectuate the March 1, 2019 effective date, as discussed below.

### **Background**

On September 4, 2018, in Docket No. RP18-1137-000, EPNG submitted TSA No. 611367-FT1EPNG ("SoCal TSA") for the Commission's review and acceptance. This TSA reflected the application of a negotiated rate at various primary and alternate receipt and delivery points.<sup>1</sup> On November 28, 2018, EPNG again submitted the SoCal TSA in Docket No. RP19-323-000 to reflect additional point redesignation requests.<sup>2</sup>

---

<sup>1</sup> The Commission issued an order in this proceeding accepting the tariff records with an effective date of November 1, 2018 on October 4, 2018.

<sup>2</sup> The Commission issued an order in this proceeding accepting the tariff records with an effective date of December 1, 2018 on December 19, 2018.

## **Reason for Filing**

### *Temporary Receipt Point Redesignation Request*

On December 13, 2018, SoCal submitted a redesignation request to temporarily shift some of its capacity on the SoCal TSA from the primary receipt point of KEYSTONE to the IRAMSEYS receipt point. SoCal requested that this redesignation begin on March 1, 2019 and remain in effect until May 31, 2019.<sup>3</sup> EPNG approved this temporary receipt point redesignation request on December 13, 2018.

The temporary redesignation request was made pursuant to General Terms and Conditions ("GT&C") Section 8.1(f)(iii) of EPNG's Tariff, which provides that firm shippers may request to temporarily or permanently redesignate primary point rights to any rate zone subject to certain procedures. In the case of a temporary redesignation, a firm shipper may request to redesignate a primary point on its TSA for a period of three months or less and, in the same request, simultaneously redesignate back to the original primary point at the end of the redesignation period.<sup>4</sup> Additionally, such redesignation requests are contemplated under footnote 1a in Exhibit B of the SoCal TSA.

Since SoCal's redesignation request affects an existing negotiated rate, non-conforming agreement, EPNG is proposing a tariff record to reflect the updated primary receipt point entitlements. No other changes to the TSA have been made.

## **Tariff Provisions**

EPNG is submitting the following tariff records pursuant to Section 154.112(b) and Subpart C of the Commission's regulations.

Part VII, Sections 33.1 and 33.2 are updated to reflect the redesignation to the revised receipt point effective March 1, 2019 through May 31, 2019.

## **Procedural Matters**

Inasmuch as this filing is fully described herein, the statement of the nature, the reasons and the basis for the instant tariff filing required by 18 C.F.R. § 154.7(a)(6) (2018) is omitted.

---

<sup>3</sup> As indicated on Appendix A herein, 30,000 Dth per day of SoCal's primary receipt capacity will shift from KEYSTONE to IRAMSEYS effective for the period starting March 1, 2019 through May 31, 2019. The Commission has accepted similar temporary point redesignation requests submitted by EPNG in Docket Nos. RP18-1227-000, RP18-1228-000, and RP19-323-000.

<sup>4</sup> See Section 8.1(f)(iii)(B) of the GT&C of EPNG's Tariff. Note that an acceptance of a redesignation request by EPNG constitutes an amendment of the TSA and an executed paper copy is unnecessary to amend the TSA as described in GT&C Section 8.1(f)(iii)(F).

In accordance with the applicable provisions of Part 154 of the Commission's regulations,<sup>5</sup> EPNG is submitting an eTariff XML filing package, which includes the following:

- a) a transmittal letter;
- b) Appendix A, a copy of the temporary redesignation report; and
- c) clean and marked versions of the tariff records in PDF format.

EPNG respectfully requests the Commission accept the tendered tariff records for filing, waive the 30-day notice requirement of 18 C.F.R. § 154.207 (2018), and permit the tariff records to become effective March 1, 2019, consistent with the effective date of the redesignation request. With respect to any tariff records the Commission allows to go into effect without change, EPNG hereby moves to place the tendered tariff records in to effect at the end of the suspension period.

Additionally, pursuant to 18 C.F.R. § 154.7(a)(7) (2018) of the Commission's regulations, EPNG respectfully requests that the Commission grant all waivers necessary to effectuate this filing.
