888 First Street, N.E.
Washington, D.C. 20426

Attention: Ms. Kimberly D. Bose, Secretary

Re: Negotiated Rate Agreements Update;
El Paso Natural Gas Company, L.L.C.;
Docket No. RP24-

Commissioners:

El Paso Natural Gas Company, L.L.C. ("EPNG") hereby tenders for filing and acceptance by the Federal Energy Regulatory Commission ("Commission") the tariff records listed below for inclusion in its FERC Gas Tariff, Third Revised Volume No. 1A ("Tariff"):

Part II	Section 5.29	Hartree Partners, LP #615843-FT1EPNG	Version 9.0.0
Part II	Section 5.33	Hartree Partners, LP #610670-FT1EPNG	Version 9.0.0
Part II	Section 5.40	Hartree Partners, LP #614700-FT1EPNG	Version 7.0.0

Proposed with an effective date of December 1, 2023, these tariff records update EPNG's Tariff to reflect temporary point redesignations on three existing transportation service agreements ("TSAs") between EPNG and Hartree Partners, LP ("Hartree"). EPNG respectfully requests a waiver of the 30-day notice requirement to effectuate the December 1, 2023 effective date, as discussed below.

Background

EPNG's Tariff includes Agreement No. 615843-FT1EPNG, Agreement No. 610670-FT1EPNG and Agreement No. 614700-FT1EPNG, all fixed negotiated rate agreements with Hartree ("Hartree TSAs"). Among other things, these TSAs reflect the application of a negotiated rate at various primary and alternate points. Since the initial acceptance of the tariff records reflecting the TSAs,¹ Hartree has redesignated primary points on these TSAs consistent with EPNG's Tariff. Currently, the tariff records reflecting the Hartree TSAs include point redesignations that were accepted by the Commission on November 14, 2023² and November 29, 2023.³

¹ *El Paso Natural Gas Co.*, Docket No. RP22-444-000 (Jan. 21, 2022) (unpublished letter order);
El Paso Natural Gas Co., Docket No. RP22-641-000 (Mar. 17, 2022) (unpublished letter order);
El Paso Natural Gas Co., Docket No. RP23-89-000 (Nov. 16, 2022) (unpublished letter order).

² *El Paso Natural Gas Co.*, Docket No. RP24-75-000 (Nov. 14, 2023) (unpublished letter order).

³ *El Paso Natural Gas Co.*, Docket No. RP24-149-000 (Nov. 29, 2023) (unpublished letter order).

Reason for Filing

Pursuant to General Terms and Conditions (“GT&C”) Section 8.1(f)(iii) of EPNG’s Tariff, firm shippers may request to temporarily or permanently redesignate primary point rights to any rate zone subject to certain procedures. In the case of a temporary redesignation, a firm shipper may request to redesignate a primary point on its TSA for a period of three months or less and, in the same request, simultaneously redesignate back to the original primary point at the end of the redesignation period.⁴ An acceptance of a redesignation request by EPNG constitutes an amendment of the TSA and an executed paper copy is unnecessary to amend the TSA as described in GT&C Section 8.1(f)(iii)(F).

Recently, Hartree submitted a request to temporarily shift its capacity from the primary receipt point of ILEARWAS (PIN 314520) to INN26PLA (PIN 300109) on Agreement No. 615843-FT1EPNG for the period December 1, 2023 through December 31, 2023, as indicated on the attached tariff record. Similarly, Hartree submitted separate redesignation requests for Agreement No. 610670 to temporarily shift some of its capacity from the primary receipt point of BONDADST (PIN 300724) to INN26PLA (PIN 300109) and for Agreement No. 614700 to temporarily shift capacity from the primary receipt point of BONDAD POOL (PIN 300722) to PLAINS POOL (PIN 302248) for the same December time period.⁵

Hartree’s requests were accepted by EPNG and, therefore the agreements were deemed to be amended pursuant to Section 8.1(f)(iii)(F) of the GT&C.⁶ Given that the temporary redesignation requests affect negotiated rate agreements, EPNG is submitting tariff records to reflect the receipt point modifications.⁷ No other changes to the Hartree TSAs have been made and the TSAs conform to the *pro forma* FT-1 service agreement contained in the Tariff.

⁴ See Section 8.1(f)(iii)(B) of the GT&C of EPNG’s Tariff.

⁵ As shown in Exhibit B of each of the aforementioned Hartree TSAs, the relevant fixed negotiated rate applies to all receipt points included within STML PER (PIN 302346) on an alternate basis. Specifically, the INN26PLA and PLAINS POOL receipt points are included within STML PER (PIN 302346).

⁶ See Appendix A for copies of the redesignation reports for the Hartree TSAs. These reports reflect the details regarding Hartree’s redesignation requests and EPNG’s approval of such requests.

⁷ These temporary redesignations are similar to other receipt point redesignations, which were recently filed by EPNG and accepted by the Commission. See, e.g., *El Paso Natural Gas Co.*, Docket No. RP23-1060-000 (Oct. 17, 2023) (unpublished letter order); *El Paso Natural Gas Co.*, Docket No. RP24-26-000 (Oct. 24, 2023) (unpublished letter order); Docket No. RP24-75-000 (Nov. 14, 2023) (unpublished letter order); and *El Paso Natural Gas Co.*, RP24-149-000 (Nov. 29, 2023) (unpublished letter order).

Tariff Provisions

EPNG is submitting the following tariff records pursuant to 18 C.F.R. § 154.112(b) (2022) and Subpart C of Part 154 of the Commission's regulations.⁸

Part II, Sections 5.29, 5.33 and 5.40 is updated to reflect the temporary receipt point redesignations for the period December 1, 2023 through December 31, 2023 applicable to the Hartree TSAs.

Procedural Matters

In accordance with the applicable provisions of Part 154 of the Commission's regulations,⁹ EPNG is submitting an eTariff XML filing package, which includes the following:

- a) a transmittal letter;
- b) Appendix A, copies of the redesignation reports for the Hartree TSAs; and
- c) clean and marked versions of the tariff records in PDF format.

EPNG respectfully requests the Commission accept the tendered tariff records for filing and permit them to become effective December 1, 2023, contemporaneous with the effective date of the point redesignations. As such, EPNG requests the Commission grant a waiver of the notice requirements as permitted by 18 C.F.R. § 154.207 (2022) of the Commission's regulations.¹⁰ With respect to any tariff record the Commission allows to go into effect without change, EPNG hereby moves to place the tendered tariff record into effect at the end any minimal suspension period specified by the Commission.

1/ Unless otherwise agreed by the Parties in writing, the rates for service shall be Transporter's maximum rates, as may be changed from time to time, for service under Rate Schedule FT-1 or other superseding Rate Schedules. The reservation rate shall be payable regardless of quantities transported.

1a/ As provided in Section 4.18 of the GT&C of Transporter's Tariff, the parties agree to the following negotiated rate(s) of \$6.6917 per Dekatherm per month, which shall be payable regardless of quantities transported.

2/ Fuel and L&U shall be as stated on Transporter's Statement of Rates in the Tariff, as they may be changed from time to time, unless otherwise agreed between the Parties.

3/ Surcharges, if applicable: Unless otherwise specified, all applicable surcharges shall be the maximum surcharge rate as stated on the Statement of Rates, as they may be changed from time to time.

ACA:

The ACA Surcharge shall be assessed pursuant to Section 17 of the GT&C of the Tariff.

4/ This contract does not deviate in any material aspect from the form of service agreement.
