Attention: Ms. Kimberly D. Bose, Secretary

Re: Negotiated Rate Agreements Update;  
El Paso Natural Gas Company, L.L.C.;  
Docket No. RP24-

Commissioners:

El Paso Natural Gas Company, L.L.C. ("EPNG") hereby tenders for filing and acceptance by the Federal Energy Regulatory Commission ("Commission") the tariff records listed below for inclusion in its FERC Gas Tariff, Third Revised Volume No. 1A ("Tariff"):

Part VII Section 95.1 Pioneer Natural #FT3HH000-FT1EPNG Exh A Version 32.0.0

Part VII Section 96.1 Pioneer Natural #FT3HJ000-FT1EPNG Exh A Version 14.0.0

Proposed with an effective date of November 1, 2023, these tariff records update EPNG's Tariff to reflect temporary point redesignations on two existing transportation service agreements ("TSAs") between EPNG and Pioneer Natural Resources USA, Inc. ("Pioneer"). EPNG respectfully requests a waiver of the 30-day notice requirement to effectuate the November 1, 2023 effective date, as discussed below.

## **Background**

EPNG's Tariff includes Agreement Nos. FT3HH000-FT1EPNG and FT3JH000-FT1EPNG, both non-conforming, negotiated rate agreements with Pioneer ("Pioneer TSAs"). Among other things, these TSAs reflect the application of a negotiated rate at various primary and alternate points. Since the initial acceptance of the tariff records reflecting the TSAs,<sup>1</sup> Pioneer has redesignated primary points on each of these TSAs consistent with EPNG's Tariff. Currently, the tariff records reflecting the Pioneer TSAs include point redesignations that were accepted by the Commission on October 11, 2023.<sup>2</sup>

---

<sup>1</sup> *El Paso Natural Gas Co.*, Docket No. RP17-215-000 (Dec. 16, 2016) (unpublished letter order); *El Paso Natural Gas Co.*, Docket No. RP22-542-000 (Mar. 2, 2022) (unpublished letter order).

<sup>2</sup> *El Paso Natural Gas Co.*, Docket No. RP23-1083-000 (Oct. 11, 2023) (unpublished letter order). The tariff records accepted by this order reflect point redesignations applicable to the Pioneer TSAs for October 1, 2023 through December 31, 2023.

### **Reason for Filing**

Pursuant to General Terms and Conditions (“GT&C”) Section 8.1(f)(iii) of EPNG’s Tariff, firm shippers may request to temporarily or permanently redesignate primary point rights to any rate zone subject to certain procedures. In the case of a temporary redesignation, a firm shipper may request to redesignate a primary point on its TSA for a period of three months or less and, in the same request, simultaneously redesignate back to the original primary point at the end of the redesignation period.<sup>3</sup> An acceptance of a re-designation request by EPNG constitutes an amendment of the TSA and an executed paper copy is unnecessary to amend the TSA as described in GT&C Section 8.1(f)(iii)(F).

Recently, Pioneer submitted a request to temporarily shift its capacity from the primary receipt point of IJOYCEPL (PIN 50532) to IEDWRDPL (PIN 47817) on Agreement No. FT3HH000-FT1EPNG for November 1, 2023 through November 30, 2023, as indicated on the attached tariff record.<sup>4</sup> IEDWRDPL is currently included as a primary receipt point at which the negotiated rate specified in the TSA applies. Similarly, Pioneer submitted a separate redesignation request for Agreement No. FT3HJ000-FT1EPNG to temporarily shift some capacity from the primary receipt point of IMIDKIFF (PIN 314602) to ITLEGACY (PIN 55934) for November 1, 2023 through November 30, 2023.<sup>5</sup> ITLEGACY is currently listed as a primary receipt point at which the negotiated rate specified in the TSA applies. Pioneer’s requests were accepted by EPNG and, therefore, Agreement Nos. FT3HH000-FT1EPNG and FT3HJ000-FT1EPNG were deemed to be amended pursuant to Section 8.1(f)(iii)(F) of the GT&C.<sup>6</sup> Given that Pioneer’s temporary redesignation requests affect non-conforming, negotiated rate agreements, EPNG is proposing tariff records to reflect the receipt point modifications and the relevant time periods.<sup>7</sup> No other changes to the Pioneer TSAs have been made.

### **Tariff Provisions**

EPNG is submitting the following tariff records pursuant to 18 C.F.R. § 154.112(b) (2022) and Subpart C of Part 154 of the Commission’s regulations.<sup>8</sup>

---

<sup>3</sup> See Section 8.1(f)(iii)(B) of the GT&C of EPNG’s Tariff.

<sup>4</sup> This tariff record also reflects the remaining period (i.e., December 2023) of the previous redesignation accepted in Docket No. RP23-1083-000.

<sup>5</sup> Similar to the tariff record for Agreement No. FT3HH000-FT1EPNG, this tariff record reflects the remaining period (i.e., December 2023) of the previous redesignation accepted in Docket No. RP23-1083-000.

<sup>6</sup> See Appendix A for copies of the redesignation reports for the Pioneer TSAs. These reports reflect the details regarding Pioneer’s redesignation requests and EPNG’s approval of such requests.

<sup>7</sup> These temporary redesignations are similar to other receipt point redesignations, which were filed by EPNG and accepted by the Commission in Docket Nos. RP23-470-000, RP23-846-000, RP23-988-000 and RP23-1083-000. See, e.g., *El Paso Natural Gas Co.*, Docket No. RP23-988-000 (Sept. 14, 2023) (unpublished letter order).

<sup>8</sup> 18 C.F.R. §§ 154.201 – 154.210 (2022) (Subpart C).

Part VII, Section 95.1<sup>9</sup> is updated to reflect the redesignation to the IEDWRDPL receipt point for November 1, 2023 through November 30, 2023 for Pioneer's Agreement No. FT3HH000-FT1EPNG.

Part VII, Section 96.1 is updated to reflect a redesignation to the ITLEGACY receipt point for the combined time period of November 1, 2023 through November 30, 2023 for Pioneer's Agreement No. FT3HJ000-FT1EPNG.

### **Procedural Matters**

In accordance with the applicable provisions of Part 154 of the Commission's regulations,<sup>10</sup> EPNG is submitting an eTariff XML filing package, which includes the following:

- a) a transmittal letter;
- b) Appendix A, copies of the redesignation reports for the Pioneer TSAs; and
- c) clean and marked versions of the tariff records in PDF format.

EPNG respectfully requests the Commission accept the tendered tariff records for filing and permit them to become effective November 1, 2023, contemporaneous with the effective date of the point redesignations. As such, EPNG requests the Commission grant a waiver of the notice requirements as permitted by 18 C.F.R. § 154.207 (2022) of the Commission's regulations.<sup>11</sup> With respect to any tariff record the Commission allows to go into effect without change, EPNG hereby moves to place the tendered tariff record in to effect at the end of any minimal suspension period established by the Commission.

Correspondence and communications concerning this filing should be directed to:

Mr. Ryan C. Leahy

---

<sup>9</sup> Currently, this tariff record remains pending before the Commission in Docket No. RP24-41-000 due to a redesignation applicable to Agreement No. FT3HH000-FT1EPNG. For purposes of this instant filing, the proposed tariff record reflects the modifications included in Docket No. RP24-41-000. Should that filing not be accepted by the Commission, EPNG will file to modify the tariff record proposed herein.

<sup>10</sup> 18 C.F.R. §§ 154.1 – 154.603 (2022).

<sup>11</sup> See, e.g., *Gulfstream Natural Gas System, L.L.C.*, 105 FERC ¶ 61,164, at P 11 (2003).

These persons have been designated for service in accordance with Rule 203 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.203 (2022)).

The undersigned hereby certifies that he has read this filing and knows (i) the contents of such filing and the attachments; (ii) that the contents as stated in the filing and in the attachments are true to the best of his knowledge and belief; and (iii) that he possesses full power and authority to sign this filing.

Respectfully submitted,

EL PASO NATURAL GAS COMPANY, L.L.C.

Ex. A-1

Issued on: October 27, 2023

Effective on: November 1, 2023

**EXHIBIT A  
(CONT.)**

Notes:

- 1/ The sum of the Maximum Quantities identified above is equal to Shipper's Transportation Contract Demand for that Month.
- 2/ Unless otherwise specified on this Exhibit A, the pressure(s) for the point(s) listed above shall be the pressure existing from time to time at the metering facility; provided, however, Transporter reserves the right to deliver quantities at pressures up to the MAOP of that facility.
