Federal Energy Regulatory Commission  
888 First Street, N.E.  
Washington, D.C. 20426

Attention: Ms. Debbie-Anne A. Reese, Acting Secretary

Re: Negotiated Rate Agreements Update;  
El Paso Natural Gas Company, L.L.C.;  
Docket No. RP24-

Commissioners:

El Paso Natural Gas Company, L.L.C. ("EPNG") hereby tenders for filing and acceptance by the Federal Energy Regulatory Commission ("Commission") the tariff records listed below for inclusion in its FERC Gas Tariff, Third Revised Volume No. 1A ("Tariff"):

Part II Section 5.29 Hartree Partners, LP #615843-FT1EPNG Version 17.0.0  
Part II Section 5.33 Hartree Partners, LP #610670-FT1EPNG Version 17.0.0  
Part II Section 5.40 Hartree Partners, LP #614700-FT1EPNG Version 15.0.0

Proposed with an effective date of August 1, 2024, these tariff records update EPNG's Tariff to reflect temporary point redesignations for three existing transportation service agreements between EPNG and Hartree Partners, LP ("Hartree"). EPNG respectfully requests a waiver of the 30-day notice requirement to effectuate the August 1, 2024 effective date, as discussed below.

## **Background**

EPNG's Tariff includes Agreement No. 615843-FT1EPNG, Agreement No. 610670-FT1EPNG and Agreement No. 614700-FT1EPNG, all fixed negotiated rate agreements with Hartree (collectively "TSAs"). Among other things, these TSAs reflect the application of a negotiated rate at various primary and alternate points. Since the initial acceptance of the tariff records reflecting the TSAs,<sup>1</sup> Hartree has redesignated primary points on these TSAs consistent with EPNG's Tariff. Currently, the tariff records reflecting the TSAs include point redesignations that were accepted by the Commission on July 11, 2024.<sup>2</sup>

<sup>1</sup> *El Paso Natural Gas Co.*, Docket No. RP22-444-000 (Jan. 21, 2022) (unpublished letter order);  
*El Paso Natural Gas Co.*, Docket No. RP22-641-000 (Mar. 17, 2022) (unpublished letter order);  
*El Paso Natural Gas Co.*, Docket No. RP23-89-000 (Nov. 16, 2022) (unpublished letter order).

<sup>2</sup> *El Paso Natural Gas Co.*, Docket No. RP24-852-000 (July 11, 2024) (unpublished letter order).

### **Reason for Filing**

Pursuant to General Terms and Conditions (“GT&C”) Section 8.1(f)(iii) of EPNG’s Tariff, firm shippers may request to temporarily or permanently redesignate primary point rights to any rate zone subject to certain procedures. In the case of a temporary redesignation, a firm shipper may request to redesignate a primary point on its TSA for a period of three months or less and, in the same request, simultaneously redesignate back to the original primary point at the end of the redesignation period.<sup>3</sup> An acceptance of a redesignation request by EPNG constitutes an amendment of the TSA and an executed paper copy is unnecessary to amend the TSA as described in GT&C Section 8.1(f)(iii)(F).

Recently Hartree submitted a request to temporarily shift its capacity from the primary receipt point of ILEARWAS (PIN 314520) to INN26PLA (PIN 300109) on Agreement No. 615843-FT1EPNG for the period August 1, 2024 through August 31, 2024, as indicated on the attached tariff record. Similarly, Hartree submitted a separate redesignation request for Agreement No. 610670 to temporarily shift its capacity from the primary receipt point of BONDADST (PIN 300724) to the INN26PLA (PIN 300109) receipt point during August. Hartree also submitted a separate request for Agreement No. 614700 to temporarily shift capacity from the primary receipt point of BONDAD POOL (PIN 300722) to the PLAINS POOL (PIN 302248) for the same August time period.<sup>4</sup>

Hartree’s requests were accepted by EPNG and, therefore the agreements were deemed to be amended pursuant to Section 8.1(f)(iii)(F) of the GT&C.<sup>5</sup> Given that the temporary redesignation requests affect negotiated rate agreements, EPNG is submitting tariff records to reflect the receipt point modifications.<sup>6</sup> No other changes to the TSAs have been made and the TSAs conform to the *pro forma* FT-1 service agreement contained in the Tariff.

---

<sup>3</sup> See Section 8.1(f)(iii)(B) of the GT&C of EPNG’s Tariff.

<sup>4</sup> As shown in Exhibit B of each of the TSAs, the relevant fixed negotiated rate applies to all receipt points included within STML PER (PIN 302346) on an alternate basis. Specifically, the INN26PLA and PLAINS POOL receipt points are included within STML PER (PIN 302346).

<sup>5</sup> See Appendix A for copies of the redesignation reports for the TSAs. These reports reflect the details regarding Hartree’s redesignation requests and EPNG’s approval of such requests.

<sup>6</sup> These temporary redesignations are similar to other receipt point redesignations, which were recently filed by EPNG and accepted by the Commission. See, e.g., *El Paso Natural Gas Co.*, RP24-716-000 (May 21, 2024) (unpublished letter order), RP24-786-000 (June 13, 2024) (unpublished letter order) and RP24-852-000 (July 11, 2024) (unpublished letter order).

### **Tariff Provisions**

EPNG is submitting the following tariff records pursuant to 18 C.F.R. § 154.112(b) (2023) and Subpart C of Part 154 of the Commission's regulations.<sup>7</sup>

Part II, Sections 5.29, 5.33 and 5.40 is updated to reflect the temporary receipt point redesignations for the period August 1, 2024 through August 31, 2024 applicable to the TSAs.

### **Procedural Matters**

In accordance with the applicable provisions of Part 154 of the Commission's regulations,<sup>8</sup> EPNG is submitting an eTariff XML filing package, which includes the following:

- a) a transmittal letter;
- b) Appendix A, copies of the redesignation reports for the TSAs; and
- c) clean and marked versions of the tariff records in PDF format.

EPNG respectfully requests the Commission accept the tendered tariff records for filing and permit them to become effective August 1, 2024, contemporaneous with the effective date of the point redesignations. As such, EPNG requests the Commission grant a waiver of the notice requirements as permitted by 18 C.F.R. § 154.207 (2023) of the Commission's regulations.<sup>9</sup> With respect to any tariff record the Commission allows to go into effect without change, EPNG hereby moves to place the tendered tariff record into effect at the end any minimal suspension period specified by the Commission.

Correspondence and communications concerning this filing should be directed to:

1/ Unless otherwise agreed by the Parties in writing, the rates for service shall be Transporter’s maximum rates, as may be changed from time to time, for service under Rate Schedule FT-1 or other superseding Rate Schedules. The reservation rate shall be payable regardless of quantities transported.

1a/ As provided in Section 4.18 of the GT&C of Transporter’s Tariff, the parties agree to the following negotiated rate(s) of \$6.6917 per Dekatherm per month, which shall be payable regardless of quantities transported.

2/ Fuel and L&U shall be as stated on Transporter’s Statement of Rates in the Tariff, as they may be changed from time to time, unless otherwise agreed between the Parties.

3/ Surcharges, if applicable: Unless otherwise specified, all applicable surcharges shall be the maximum surcharge rate as stated on the Statement of Rates, as they may be changed from time to time.

ACA:  
 The ACA Surcharge shall be assessed pursuant to Section 17 of the GT&C of the Tariff.

4/ This contract does not deviate in any material aspect from the form of service agreement.
