888 First Street, N.E.
Washington, D.C. 20426

Attention: Ms. Debbie-Anne A. Reese, Secretary

Re: Negotiated Rate Agreement Update;
El Paso Natural Gas Company, L.L.C.;
Docket No. RP25-

Commissioners:

El Paso Natural Gas Company, L.L.C. ("EPNG") hereby tenders for filing and acceptance by the Federal Energy Regulatory Commission ("Commission") the tariff record listed below for inclusion in Part II of its FERC Gas Tariff, Third Revised Volume No. 1A ("Tariff"):

Section 5.49 Sempra Gas & Power Marketing #618975-FT1EPNG Version 13.0.0

Proposed with an effective date of September 1, 2025, this tariff record updates EPNG's tariff to reflect a temporary point redesignation on an existing transportation service agreement ("TSA") between EPNG and Sempra Gas & Power Marketing ("Sempra"). EPNG respectfully requests a waiver of the 30-day notice requirement to effectuate the proposed effective date, as discussed below.

Background

EPNG's Tariff includes Agreement No. 618975-FT1EPNG with Sempra that provides for a fixed negotiated reservation rate. Since the initial acceptance of the tariff record reflecting the TSA,¹ Sempra has redesignated primary points on its TSA consistent with EPNG's Tariff. Currently, the tariff record reflecting the Sempra TSA includes a point redesignation that was recently accepted by the Commission.²

¹ *El Paso Natural Gas Co.*, Docket No. RP24-182-000 (Dec. 20, 2023) (unpublished letter order).

² *El Paso Natural Gas Co.*, Docket No. RP25-1026-000 (Aug. 19, 2025) (unpublished letter order).

Reason for Filing

Pursuant to Section 8.1(f)(iii) of the General Terms and Conditions (“GT&C”) of EPNG’s Tariff, firm shippers may request to temporarily or permanently redesignate primary point rights to any rate zone subject to certain procedures. In the case of a temporary redesignation, a firm shipper may request to redesignate a primary point on its TSA for a period of three months or less and, in the same request, simultaneously redesignate back to the original primary point at the end of the redesignation period.³ An acceptance of a re-designation request by EPNG constitutes an amendment of the TSA and an executed paper copy is unnecessary to amend the TSA as described in GT&C Section 8.1(f)(iii)(F).

Recently, Sempra submitted a request for Agreement No. 618975-FT1EPNG to temporarily redesignate capacity rights from its primary receipt point of IMAYFLDR (PIN 50505) to PLAINS (PIN 302248) for the period September 1, 2025 through September 30, 2025, as indicated on the attached tariff record. Currently, PLAINS is included in the TSA as an alternate receipt point at which the negotiated rate specified in the TSA applies. Sempra’s request was accepted by EPNG and, therefore, Agreement No. 618975-FT1EPNG was amended pursuant to Section 8.1(f)(iii)(F) of the GT&C.⁴ Given that Sempra’s temporary redesignation request affects a negotiated rate agreement, EPNG is proposing to update the relevant tariff record to reflect the receipt point modification and the relevant time period.⁵ No other changes to the TSA has been made.

Tariff Provisions

EPNG is submitting the following tariff record pursuant to 18 C.F.R. § 154.112(b) (2025) and Subpart C of Part 154 of the Commission’s regulations.⁶

Part II, Section 5.49 is updated to reflect a point redesignation for Sempra’s Agreement No. 618975-FT1EPNG applicable to September 1, 2025 through September 30, 2025.

³ See Section 8.1(f)(iii)(B) of the GT&C of EPNG’s Tariff.

⁴ See Appendix A for a copy of the redesignation report for Agreement No. 618975-FT1EPNG. This report reflects the details regarding Sempra’s redesignation request and EPNG’s approval of such request.

⁵ This temporary redesignation is similar to other receipt point redesignations, which were filed by EPNG and accepted by the Commission in Docket Nos. RP25-931-000, RP25-985-000 and RP25-1026-000. See, e.g., *El Paso Natural Gas Co.*, Docket No. RP25-985-000 (July 22, 2025) (unpublished letter order).

⁶ 18 C.F.R. §§ 154.201 – 154.210 (2025) (Subpart C).

Procedural Matters

In accordance with the applicable provisions of Part 154 of the Commission's regulations,⁷ EPNG is submitting an eTariff XML filing package, which includes the following:

- a) a transmittal letter;
- b) Appendix A, a copy of the Sempra redesignation report; and
- c) clean and marked versions of the tariff record in PDF format.

EPNG respectfully requests the Commission accept the tendered tariff record for filing and permit it to become effective September 1, 2025, contemporaneous with the effective date of the point redesignation. As such, EPNG requests the Commission grant a waiver of the notice requirements as permitted by 18 C.F.R. § 154.207 (2025) of the Commission's regulations.⁸ With respect to any tariff record the Commission allows to go into effect without change, EPNG hereby moves to place the tendered tariff record in to effect at the end of any minimal suspension period established by the Commission.
