Attention: Ms. Debbie-Anne A. Reese, Secretary

Re: Negotiated Rate Agreement Update;
El Paso Natural Gas Company, L.L.C.;
Docket No. RP25-

Commissioners:

El Paso Natural Gas Company, L.L.C. ("EPNG") hereby tenders for filing and acceptance by the Federal Energy Regulatory Commission ("Commission") the tariff record listed below for inclusion in the Third Revised Volume No. 1A of its FERC Gas Tariff ("Tariff"):

Part II: Section 5.44 Eco-Energy Natural Gas LLC #612617-FT1EPNG Version 4.0.0

Proposed with an effective date of July 1, 2025, this tariff record updates EPNG's Tariff to reflect a temporary point redesignation on an existing transportation service agreement ("TSA") between EPNG and Eco-Energy Natural Gas LLC ("Eco"). EPNG respectfully requests a waiver of the 30-day notice requirement to effectuate the proposed effective date, as discussed below.

Background

EPNG's Tariff includes Agreement No. 612617-FT1EPNG, a negotiated rate agreement with Eco ("Eco TSA"). Among other things, this TSA reflects the application of negotiated rates at various primary and alternate points. Currently, the tariff record reflecting the Eco TSA includes point redesignations that were accepted by the Commission on September 20, 2024 in Docket No. RP24-1053-000.¹

Reason for Filing

Pursuant to General Terms and Conditions ("GT&C") Section 8.1(f)(iii) of EPNG's Tariff, firm shippers may request to temporarily or permanently redesignate primary point rights to any rate zone subject to certain procedures. In the case of a temporary

¹ El Paso Natural Gas Co., Docket No. RP24-1053-000 (Sep. 20, 2024) (unpublished letter order).

redesignation, a firm shipper may request to redesignate a primary point on its TSA for a period of three months or less and, in the same request, simultaneously redesignate back to the original primary point at the end of the redesignation period.² An acceptance of a redesignation request by EPNG constitutes an amendment of the TSA and an executed paper copy is unnecessary to amend the TSA as described in GT&C Section 8.1(f)(iii)(F).

Recently, Eco submitted a request to temporarily redesignate capacity rights from the primary receipt point of PLAINS (PIN 302248) to the INN26PLA (PIN 300109) receipt point for the period July 1, 2025 through September 30, 2025. The Eco request was evaluated and accepted by EPNG and, therefore, the Eco TSA was amended pursuant to Section 8.1(f)(iii)(F) of the GT&C.³ Given that Eco's temporary redesignation request affects a negotiated rate agreement, EPNG is submitting an updated tariff record to reflect the temporary modification of primary receipt rights.⁴ No other changes to the Eco TSA have been made and the Eco TSA conforms to the *pro forma* FT-1 service agreement contained in the Tariff.

Tariff Provisions

EPNG is submitting the following tariff record pursuant to 18 C.F.R. § 154.112(b) (2024) and Subpart C of the Commission's regulations.⁵

Part II, Section 5.44 is updated to reflect the point redesignations for the relevant time period for the Eco TSA.

Procedural Matters

In accordance with the applicable provisions of Part 154 of the Commission's regulations,⁶ EPNG is submitting an eTariff XML filing package, which includes the following:

- a) a transmittal letter;
- b) Appendix A, a copy of the redesignation report for the Eco TSA; and
- c) clean and marked versions of the tariff record in PDF format.

EPNG respectfully requests the Commission accept the tendered tariff record for filing and permit it to become effective July 1, 2025 consistent with the effective date of the point redesignation. As such, EPNG requests the Commission grant a waiver of the 30-day notice requirement as permitted by 18 C.F.R. § 154.207 (2024) of the Commission's regulations.⁷

² See Section 8.1(f)(iii)(B) of the GT&C of EPNG's Tariff.

³ See Appendix A for a copy of the redesignation report for the Eco TSA. This report reflects the details regarding Eco's redesignation request and EPNG's approval of such request.

⁴ These temporary redesignations are similar to temporary receipt point redesignations applicable to the Eco TSA that were filed by EPNG and accepted by the Commission in Docket No. RP24-598-000 and Docket No. RP24-1053-000. See, e.g., *El Paso Natural Gas Co.*, Docket No. RP24-1053-000 (Sep. 20, 2024) (unpublished letter order).

⁵ See 18 C.F.R. §§ 154.201 – 154.210 (2024) (Subpart C).

⁶ See 18 C.F.R. §§ 154.1 – 154.603 (2024) (Part 154).

⁷ See, e.g., *Gulfstream Natural Gas System, L.L.C.*, 105 FERC ¶ 61,164, at P 11 (2003).

With respect to any tariff record the Commission allows to go into effect without change, EPNG hereby moves to place the tendered tariff record in to effect at the end of any minimal suspension period established by the Commission.

Notes:

- 1/ Unless otherwise agreed by the Parties in writing, the rates for service shall be Transporter's maximum rates, as may be changed from time to time, for service under Rate Schedule FT-1 or other superseding Rate Schedules. The reservation rate shall be payable regardless of quantities transported.
- 1a/ As provided in Section 4.18 of the GT&C of Transporter's Tariff, the parties agree to the following negotiated rate(s) of \$11.0077 per Dekatherm per Month which shall not be subject to the applicable maximum or minimum reservation rate as set forth in Transporter's Tariff and which shall be payable regardless of quantities transported.
- 2/ Fuel and L&U shall be as stated on Transporter's Statement of Rates in the Tariff, as they may be changed from time to time, unless otherwise agreed between the Parties.
- 3/ Surcharges, if applicable: Unless otherwise specified, all applicable surcharges shall be the maximum surcharge rate as stated on the Statement of Rates, as they may be changed from time to time.

ACA:

The ACA Surcharge shall be assessed pursuant to Section 17 of the GT&C of the Tariff.

- 4/ This contract does not deviate in any material aspect from the form of service agreement.
