Federal Energy Regulatory Commission
888 First Street, N.E.
Washington, D.C. 20426

Attention: Ms. Debbie-Anne A. Reese, Secretary

Re: Negotiated Rate Agreement Update;
El Paso Natural Gas Company, L.L.C.;
Docket No. RP26-

Commissioners:

El Paso Natural Gas Company, L.L.C. ("EPNG") hereby tenders for filing and acceptance by the Federal Energy Regulatory Commission ("Commission") the tariff record listed below for inclusion in its FERC Gas Tariff, Third Revised Volume No. 1A ("Tariff"):

Part VII Section 95.1 Pioneer Natural #FT3HH000-FT1EPNG Exh A Version 47.0.0

Proposed with an effective date of December 1, 2025, this tariff record updates EPNG's Tariff to reflect temporary point redesignations on an existing transportation service agreement ("TSA") between EPNG and Pioneer Natural Resources USA, Inc. ("Pioneer"). EPNG respectfully requests a waiver of the 30-day notice requirement to effectuate the proposed effective date, as discussed below.

Background

EPNG's Tariff includes Agreement No. FT3HH000-FT1EPNG, a non-conforming, negotiated rate agreement with Pioneer ("Pioneer TSA"). Among other things, this TSA reflects a fixed negotiated rate at various primary and alternate points that applied during the initial portion of the term of the Agreement. Since the initial acceptance of the tariff records reflecting the TSA,¹ Pioneer has redesignated primary points on this TSA consistent with EPNG's Tariff. Currently, the tariff records reflecting the Pioneer TSA include point redesignations that were accepted by the Commission on November 12, 2025.²

¹ *El Paso Natural Gas Co.*, Docket No. RP17-215-000 (Dec. 16, 2016) (unpublished letter order).

² *El Paso Natural Gas Co.*, Docket No. RP26-93-000 (Nov. 12, 2025) (unpublished letter order).

Reason for Filing

Pursuant to Section 8.1(f)(iii) of the General Terms and Conditions (“GT&C”) of EPNG’s Tariff, firm shippers may request to temporarily or permanently redesignate primary point rights to any rate zone subject to certain procedures. In the case of a temporary redesignation, a firm shipper may request to redesignate a primary point on its TSA for a period of three months or less and, in the same request, simultaneously redesignate back to the original primary point at the end of the redesignation period.³ An acceptance of a re-designation request by EPNG constitutes an amendment of the TSA and an executed paper copy is unnecessary to amend the TSA as described in GT&C Section 8.1(f)(iii)(F).

Recently, Pioneer submitted three separate requests to temporarily redesignate capacity rights during the period December 1, 2025 through February 28, 2026. These redesignation requests were submitted for the receipt points and time periods specified below.

Original Point	New Point	Applicable Time Period
IUTBENED (PIN 377040)	IJOYCEPL (PIN 50532)	12/1/25 – 2/28/26
IEDWRDPL (PIN 47817)	IJOYCEPL (PIN 50532)	12/1/25 – 12/31/25
IEDWRDPL (PIN 47817)	IJOYCEPL (PIN 50532)	1/1/26 – 1/31/26

Pioneer’s requests were accepted by EPNG and, therefore, Agreement No. FT3HH000-FT1EPNG was deemed to be amended pursuant to Section 8.1(f)(iii)(F) of the GT&C.⁴ Given that Pioneer’s temporary redesignation requests affect a non-conforming, negotiated rate agreement, EPNG is proposing a tariff record to reflect the receipt point modifications and the relevant time periods.⁵ No other changes to the Pioneer TSA have been made.

Tariff Provisions

EPNG is submitting the following tariff record pursuant to 18 C.F.R. § 154.112(b) (2025) and Subpart C of Part 154 of the Commission’s regulations.⁶

Part VII, Section 95.1 is updated to reflect three point redesignations occurring during the period of December 1, 2025 through February 28, 2026 for Pioneer’s Agreement No. FT3HH000-FT1EPNG.

³ See Section 8.1(f)(iii)(B) of the GT&C of EPNG’s Tariff.

⁴ See Appendix A for copies of the redesignation reports for the Pioneer TSA. These reports reflect the details regarding Pioneer’s redesignation requests and EPNG’s approval of such requests.

⁵ These temporary redesignations are similar to other receipt point redesignations, which were filed by EPNG and accepted by the Commission in Docket Nos. RP25-1043-000, RP25-1099-000, RP26-31-000 and RP26-93-000. See, e.g., *El Paso Natural Gas Co.*, Docket No. RP26-31-000 (Oct. 22, 2025) (unpublished letter order).

⁶ 18 C.F.R. §§ 154.201 – 154.210 (2025) (Subpart C).

Procedural Matters

In accordance with the applicable provisions of Part 154 of the Commission's regulations,⁷ EPNG is submitting an eTariff XML filing package, which includes the following:

- a) a transmittal letter;
- b) Appendix A, copies of the redesignation reports for the Pioneer TSA; and
- c) clean and marked versions of the tariff record in PDF format.

EPNG respectfully requests the Commission accept the tendered tariff record for filing and permit it to become effective December 1, 2025, contemporaneous with the effective date of the point redesignations for the Pioneer TSA. As such, EPNG requests the Commission grant a waiver of the notice requirements as permitted by 18 C.F.R. § 154.207 (2025) of the Commission's regulations.⁸ With respect to any tariff record the Commission allows to go into effect without change, EPNG hereby moves to place the tendered tariff record in to effect at the end of any minimal suspension period established by the Commission.

Shipper's Transportation Contract Demand: See ¶ 11

- 1/ The sum of the Maximum Quantities identified above is equal to Shipper's Transportation Contract Demand for that Month.
- 2/ Unless otherwise specified on this Exhibit A, the pressure(s) for the point(s) listed above shall be the pressure existing from time to time at the metering facility; provided, however, Transporter reserves the right to deliver quantities at pressures up to the MAOP of that facility.
