Attention: Ms. Debbie-Anne A. Reese, Secretary

Re: Negotiated Rate Agreement Update;
El Paso Natural Gas Company, L.L.C.;
Docket No. RP26-

Commissioners:

El Paso Natural Gas Company, L.L.C. ("EPNG") hereby tenders for filing and acceptance by the Federal Energy Regulatory Commission ("Commission") the tariff record listed below for inclusion in EPNG's FERC Gas Tariff, Third Revised Volume No. 1A ("Tariff").

Part II Section 5.29 Hartree Partners, LP #615843-FT1EPNG Version 32.0.0

Proposed with an effective date of February 1, 2026, this tariff record updates EPNG's Tariff to reflect a permanent point redesignation for an existing transportation service agreement between EPNG and Hartree Partners, LP ("Hartree").

Background

EPNG's Tariff includes Agreement No. 615843-FT1EPNG, a fixed negotiated rate agreement with Hartree ("TSA"). Among other things, this TSA reflects the application of the negotiated rate at various primary and alternate points. Since the initial acceptance of the tariff record reflecting the TSA,¹ Hartree has redesignated primary points on this TSA consistent with EPNG's Tariff. Currently, the tariff record reflecting the TSA includes point redesignations that were accepted by the Commission on November 14, 2025.²

Reason for Filing

Pursuant to General Terms and Conditions ("GT&C") Section 8.1(f)(iii) of EPNG's Tariff, firm shippers may request to temporarily or permanently redesignate primary point rights to any rate zone subject to certain procedures. An acceptance of a redesignation request by EPNG constitutes an amendment of the

¹ *El Paso Natural Gas Co.*, Docket No. RP22-444-000 (Jan. 21, 2022) (unpublished letter order).

² *El Paso Natural Gas Co.*, Docket No. RP26-116-000 (Nov. 14, 2025) (unpublished letter order).

TSA and an executed paper copy is unnecessary to amend the TSA as described in GT&C Section 8.1(f)(iii)(F).

Recently, Hartree submitted a request to permanently redesignate capacity rights from its primary receipt point of ILEARWAS (PIN 314520) to INN26PLA (PIN 300109) on Agreement No. 615843-FT1EPNG for the period February 1, 2026 through October 31, 2032, the end of the TSA's term, as indicated on the attached tariff record. INN26PLA is currently listed as a receipt point at which the negotiated rate specified in the TSA applies.

Hartree's request was accepted by EPNG and, therefore, Agreement No. 615843-FT1EPNG was amended pursuant to Section 8.1(f)(iii)(F) of the GT&C.³ Given that Hartree's permanent redesignation request affects a negotiated rate agreement, EPNG is proposing to update the relevant tariff record to reflect the changes discussed above. No other changes to the TSA have been made and the TSA conforms to the Form of Transportation Service Agreement for Rate Schedule FT-1 contained in the Tariff.

Tariff Provisions

EPNG is submitting the following tariff record pursuant to 18 C.F.R. § 154.112(b) (2025) and Subpart C of Part 154 of the Commission's regulations.⁴

Part II, Section 5.29 is updated to reflect the permanent point redesignation for Hartree's Agreement No. 615843-FT1EPNG effective February 1, 2026 through October 31, 2032, as described earlier.

Procedural Matters

In accordance with the applicable provisions of Part 154 of the Commission's regulations,⁵ EPNG is submitting an eTariff XML filing package, which includes the following:

- a) a transmittal letter;
- b) Appendix A, a copy of the redesignation report for Agreement No. 615843-FT1EPNG; and
- c) clean and marked versions of the tariff record in PDF format.

EPNG respectfully requests the Commission accept the tendered tariff record for filing and permit it to become effective on February 1, 2026, consistent with the effective date of the permanent redesignation request. With respect to

³ See Appendix A for a copy of the redesignation report for Agreement No. 615843-FT1EPNG. This report reflects the details regarding Hartree's redesignation request and EPNG's approval of such request.

⁴ 18 C.F.R. §§ 154.201 – 154.210 (2025) (Subpart C).

⁵ 18 C.F.R. §§ 154.1 – 154.603 (2025).

any tariff record the Commission allows to go in to effect without change, EPNG hereby moves to place the tendered tariff record in to effect at the end of any minimal suspension period established by the Commission.

Correspondence and communications concerning this filing should be directed to:
