Attention: Ms. Debbie-Anne A. Reese, Secretary

Re: Negotiated Rate Agreement Update;
El Paso Natural Gas Company, L.L.C.;
Docket No. RP26-

Commissioners:

El Paso Natural Gas Company, L.L.C. ("EPNG") hereby tenders for filing and acceptance by the Federal Energy Regulatory Commission ("Commission") the tariff record listed below for inclusion in Part VII of its FERC Gas Tariff, Third Revised Volume No. 1A ("Tariff"):

Section 95.1 Pioneer Natural #FT3HH000-FT1EPNG Exh A Version 50.0.0

Proposed with an effective date of March 1, 2026, this tariff record updates EPNG's Tariff to reflect a temporary point redesignation on an existing transportation service agreement ("TSA") between EPNG and Pioneer Natural Resources USA, Inc. ("Pioneer"). EPNG respectfully requests a waiver of the 30-day notice requirement to effectuate the proposed effective date, as discussed below.

Background

EPNG's Tariff includes Agreement No. FT3HH000-FT1EPNG, a non-conforming, negotiated rate agreement with Pioneer ("Pioneer TSA"). Among other things, this TSA reflects the application of a fixed negotiated rate at various primary and alternate points that applied during certain portions of the term of the underlying agreement. Since the initial acceptance of the tariff records reflecting the TSA,¹ Pioneer has redesignated primary points on this TSA consistent with EPNG's Tariff. Currently, the tariff records reflecting the Pioneer TSA include a point redesignation that was accepted by the Commission on February 19, 2026.²

¹ *El Paso Natural Gas Co.*, Docket No. RP17-215-000 (Dec. 16, 2016) (unpublished letter order).

² *El Paso Natural Gas Co.*, Docket No. RP26-446-000 (Feb. 19, 2026) (unpublished letter order).

Reason for Filing

Pursuant to Section 8.1(f)(iii) of the General Terms and Conditions (“GT&C”) of EPNG’s Tariff, firm shippers may request to temporarily or permanently redesignate primary point rights to any rate zone subject to certain procedures. In the case of a temporary redesignation, a firm shipper may request to redesignate a primary point on its TSA for a period of three months or less and, in the same request, simultaneously redesignate back to the original primary point at the end of the redesignation period.³ An acceptance of a redesignation request by EPNG constitutes an amendment of the TSA and an executed paper copy is unnecessary to amend the TSA as described in GT&C Section 8.1(f)(iii)(F).

Recently, Pioneer submitted a request to temporarily redesignate capacity rights from its primary receipt point of IEDWRDPL (PIN 47817) to IJOYCEPL (PIN 50532) for March 1, 2026 through March 31, 2026. IJOYCEPL is currently listed as a primary receipt point at which the underlying rate specified in the TSA applies.⁴ Pioneer’s redesignation request applicable to Agreement No. FT3HH000-FT1EPNG was accepted by EPNG and, therefore, the TSA was deemed to be amended pursuant to Section 8.1(f)(iii)(F) of the GT&C.⁵ Given that Pioneer’s temporary redesignation request affects a non-conforming, negotiated rate agreement, EPNG is proposing a tariff record to reflect the receipt point modification and the relevant time periods as a result of the amendment.⁶ Other than the changes described herein, no other changes to the Pioneer TSA have been made.

Tariff Provisions

EPNG is submitting the following tariff record pursuant to 18 C.F.R. § 154.112(b) (2025) and Subpart C of Part 154 of the Commission's regulations.⁷

Part VII, Section 95.1 is updated to reflect amendments to implement a temporary point redesignation for the period of March 1, 2026 through March 31, 2026 for Pioneer’s Agreement No. FT3HH000-FT1EPNG.

³ See Section 8.1(f)(iii)(B) of the GT&C of EPNG’s Tariff.

⁴ The primary and alternate points specified in Agreement No. FT3HH000-FT1EPNG were subject to a negotiated reservation rate for the term January 1, 2017 through December 31, 2023. Beginning January 1, 2024 and continuing through the remaining term (i.e., through March 31, 2029), Pioneer’s Agreement No. FT3HH000-FT1EPNG is subject to the applicable maximum reservation rate.

⁵ See Appendix A for a copy of the redesignation report for the Pioneer TSA. This report reflects the details regarding Pioneer’s redesignation request and EPNG’s approval of such request.

⁶ This temporary redesignation is similar to other receipt point redesignations, which were filed by EPNG and accepted by the Commission in Docket Nos. RP26-233-000, RP26-335-000 and RP26-446-000. See, e.g., *El Paso Natural Gas Co.*, Docket No. RP26-335-000 (Jan. 14, 2026) (unpublished letter order).

⁷ 18 C.F.R. §§ 154.201 – 154.210 (2025) (Subpart C).

Procedural Matters

In accordance with the applicable provisions of Part 154 of the Commission's regulations,⁸ EPNG is submitting an eTariff XML filing package, which includes the following:

- a) a transmittal letter;
- b) Appendix A, a copy of the redesignation report for the Pioneer TSA; and
- c) clean and marked versions of the tariff record in PDF format.

EPNG respectfully requests the Commission accept the tendered tariff record for filing and permit it to become effective on March 1, 2026, contemporaneous with the effective date of the point redesignation for the Pioneer TSA. As such, EPNG requests the Commission grant a waiver of the notice requirements for the proposed tariff record, as permitted by 18 C.F.R. § 154.207 (2025) of the Commission's regulations.⁹ With respect to any tariff record the Commission allows to go into effect without change, EPNG hereby moves to place the tendered tariff record in to effect at the end of any minimal suspension period established by the Commission.
