

SHORT TERM NO FUEL ROUTES UPDATE

Effective December 1, 2018, and until further notice, El Paso Natural Gas Company, L.L.C. (EPNG) continues to designate the routes listed below as short-term no-fuel routes in accordance with Section 13.4(g) of the General Terms and Conditions in the Third Revised Volume No. 1A of EPNG's FERC Gas Tariff. With this notice, EPNG has removed the "Plains to Valve City" and the "Wink to Keystone" routes from the list (previously posted in Notice No. 602033) because these routes are no longer eligible to be exempt from the assessment of fuel at this time.

Short-Term No-Fuel Routes

Cornudas to Waha

Cornudas to Pecos River (by way of Guadalupe)
