

El Paso Natural Gas Company  
 Attention: Gas Control Department

### Shipper Assistance Offer Form

Pursuant to El Paso Natural Gas Company's ("El Paso") tariff, a shipper may offer to assist El Paso in system loading needs based on the following conditions:

- ✓ Shipper must have an executed transportation service agreement pursuant to Rate Schedule FT-1, FT-2, FT-H, FTH-V, NNTH and/or NNTH that is currently in effect.
- ✓ A Strained or Critical Condition ("SOC/COC") has been declared by El Paso and remains in effect.
- ✓ Shipper must submit its offer to assist prior to the close of the Intraday 2 Nomination Cycle on the SOC/COC day(s).

A shipper offering to assist in system loading needs must submit this form to El Paso via email at EPNGCriticalAssist@elpaso.com. If this form is submitted by a shipper outside of normal business hours (7am - 6pm, MCT), on a weekend, or on a Federal holiday, the shipper should call El Paso Gas Control at (719) 667-7701 to verify the receipt of its offer to assist.
