

## Company Overview

Kinder Morgan Border Pipeline LLC ("KM Border") owns and operates approximately 97 miles of 24 inch pipe that extends from the International Border between the United States and Mexico to a point of interconnection with Kinder Morgan Tejas Pipeline LLC located at the King Ranch, in Kleburg County, Texas. This pipeline is capable of importing Mexican gas into the United States, and exporting domestic gas to Mexico. The capacity of the pipeline is approximately 300,000 MMBtu per day. KM Border does not own or operate any storage facilities.
