

[Pursuant to Section 21.1 of the Directive issued by the CRE for the determination of rates and transfer of prices for regulated natural gas activities DIR-GAS-001-2007, this list of rates shall enter into force on May 17<sup>th</sup>, 2024, five business days after its publication on the DOF.]

DOF- Federal Official Gazette

DOF: 09/05/2024

**Kinder Morgan Gas Natural de México, S. de R.L. de C.V.**  
**Mier-Monterrey Pipeline**  
**Natural Gas Transporter's Permit G/003/TRA/96**

**List of Rates**

<b>Transportation Service</b>	<b>Units</b>	<b>Rate</b>
<b>Firm Basis</b>		
Capacity Charge	Pesos/GJ/day	0.9191
Use Charge	Pesos/GJ	0.0933
<b>Interruptible Basis</b>		
Unitary Charge	Pesos/GJ	0.9288
<b>Authorized Overrun Quantities</b>		
Unitary Charge	Pesos/GJ	0.9288

Notes:

- 1) The Capacity Charge is expressed on a daily basis.
- 2) For the Firm Basis Transportation Service, the Capacity Charge shall be determined on a monthly basis multiplying such charge times the capacity contracted by Shipper. The Use Charge shall be applied to all the volumes transported in the System during the Month.
- 3) The Authorized Overrun Quantities shall be applied to any transported volume that exceeds the quantity contracted by Shipper during the corresponding Month.
- 4) The Unitary Charge for the Interruptible Service shall be applied to all volumes transported for the shipper on an Interruptible Basis during the corresponding Month.
