

Company Overview

Kinder Morgan Illinois LLC (“KMIP”) is a natural gas pipeline company engaged in the business of transporting natural gas in interstate commerce. It originates near Beecher, IL where it connects with Northern Border and extends north, connecting to ANR and NGPL, and finally terminating at the Chicago City Limits where it delivers gas to The Peoples Gas Light and Coke Company’s distribution system. The 28-mile pipeline system has an initial design capacity of 360,000 dekatherms per day.

KMIP is a limited liability company, which is owned by NGPL PipeCo LLC. Kinder Morgan Inc. (NYSE: KMI), indirectly owns 50% of the membership interests in NGPL PipeCo LLC, and operates KMIP. Brookfield Infrastructure Partners L.P. (NYSE: BIP) indirectly owns the other 50% of the membership interests in NGPL PipeCo LLC.
