Re: Midcontinent Express Pipeline LLC  
Non-Conforming Negotiated Rate Agreement Filing Clean-Up  
Docket No. RP24-

Dear Ms. Reese:

Midcontinent Express Pipeline LLC (“MEP”) hereby tenders for filing and acceptance by the Federal Energy Regulatory Commission (“Commission”) the tariff record listed in Appendix A for inclusion in its FERC Gas Tariff, First Revised Volume No. 1 (“Tariff”).

Proposed with an effective date of August 1, 2024, this tariff record updates MEP’s Statement of Negotiated Rate Transactions to reflect the addition of a negotiated rate agreement that was previously accepted by the Commission in Docket No. RP24-512, under Rate Schedule FTS of MEP’s Tariff with Trafigura Trading, LLC (“Trafigura”).

## **Statement of Nature, Reasons, and Basis**

On March 6, 2024, MEP submitted a filing that included Agreement No. 220679-FTSMEP (“Trafigura FTS Agreement”) executed with Trafigura (“March Filing”). In the March Filing, the Trafigura FTS Agreement was identified as non-conforming and containing a negotiated rate provision. The Commission issued an order accepting the March Filing on March 28, 2024.<sup>1</sup> During a review of its third quarter Index of Customers filing, MEP identified that it inadvertently neglected to include the Trafigura FTS Agreement on its Statement of Negotiated Rate Transactions contained in the Tariff in the March Filing. This filing corrects this omission by including the Trafigura FTS Agreement on the Statement of Negotiated Rate Transactions.

## **Procedural Matters**

In accordance with the applicable provisions of Part 154 of the Commission’s regulations,<sup>2</sup> MEP is submitting an eTariff XML filing package, which includes the following:

1. This transmittal letter; and
2. A list of proposed tariff records and clean and marked versions of each tariff record in PDF format in Appendix A

---

<sup>1</sup> *Midcontinent Express Pipeline LLC*, Docket No. RP24-512 (Mar. 28, 2024) (unpublished letter order).

<sup>2</sup> 18 C.F.R. §§ 154.1 – 154.603 (2022).

MEP respectfully requests the Commission accept the tendered tariff records for filing and permit them to become effective on August 1, 2024. With respect to any tariff record the Commission allows to go into effect without change, MEP hereby moves to place the tendered tariff record into effect at the end of a minimal suspension period, if any, established by the Commission.

Correspondence and communications concerning this filing should be sent to each of the following persons and each of the following should be included on the Commission's service list for this filing:
