

# MIDCONTINENT EXPRESS PIPELINE LLC

April 30, 2026

Debbie-Anne Reese, Secretary  
Federal Energy Regulatory Commission  
888 First Street, N. E.  
Washington, D.C. 20426

Re: Midcontinent Express Pipeline LLC  
Negotiated Rate Agreement Filing  
Docket No. RP26-

Dear Ms. Reese:

Pursuant to Section 4 of the Natural Gas Act (“NGA”) and Section 154 of the regulations of the Federal Energy Regulatory Commission (“Commission” or “FERC”), Midcontinent Express Pipeline LLC (“MEP”) hereby submits for filing and acceptance one (1) negotiated rate agreement under Rate Schedule PALS between MEP and Gunvor USA LLC (“Gunvor”) (the “New Agreement”). Furthermore, MEP hereby submits the tariff records listed in Appendix A to reflect the inclusion of the New Agreement in its FERC Gas Tariffs, First Revised Volume No. 1 and Original Volume No. 2 (“Tariff”) with a proposed effective date of May 1, 2026. MEP respectfully requests a waiver of the 30-day notice requirement to effectuate the May 1, 2026 effective date, as discussed below.

## **Statement of Nature, Reasons, and Basis**

This filing is submitted pursuant to the Commission’s Negotiated Rate Policy Statement issued January 31, 1996 in Docket No. RM95-6-000 (“Policy Statement”).<sup>1</sup> In the Policy Statement, the Commission announced that it would allow companies to implement negotiated rate programs. Section 30 of the General Terms and Conditions of MEP’s Tariff allows MEP to implement negotiated rates and provides that MEP will file with the Commission a tariff record advising the Commission of the specifics of the negotiated rate or, alternatively, MEP may file the contract setting out the negotiated rate.

As a part of this filing, MEP is submitting tariff records containing the new negotiated rate exhibits, which detail the specifics of the agreement. The negotiated rate agreement with Gunvor does not deviate in any material respect from the form of service agreement in MEP’s Tariff.

---

<sup>1</sup> The Commission’s current policies were originally established in, *Alternatives to Traditional Cost-of-Service Ratemaking for Natural Gas Pipelines, Regulation of Negotiated Transportation Services, Statements of Policy and Comments*, 74 FERC ¶ 61,076 (1996), *order on clarification*, 74 FERC ¶ 61,194 (1996), *order on reh’g*, 75 FERC ¶ 61,024 (1996). See, also, *Natural Gas Pipeline Negotiated Rate Policies and Practices, Modification of Negotiated Rate Policy*, 104 FERC ¶ 61,134 (2003).

**Procedural Matters**

In accordance with the applicable provisions of Part 154 of the Commission's regulations,<sup>2</sup> MEP is submitting an eTariff XML filing package, which includes the following:

1. This transmittal letter;
2. A list of proposed tariff records and clean and marked versions of each tariff record in PDF format in Appendix A.

MEP respectfully requests the Commission accept the tendered tariff records for filing and permit them to become effective on May 1, 2026. As such, MEP requests the Commission grant a waiver of the notice requirements found in 18 C.F.R. § 154.207 of the Commission's regulations. With respect to any tariff record the Commission allows to go into effect without change, MEP hereby moves to place the tendered tariff record into effect at the end any minimal suspension period specified by the Commission.

Correspondence and communications concerning this filing should be sent to each of the following persons and each of the following should be included on the Commission's service list for this filing:

Ms. Karen Ferazzi  
Assistant General Counsel  
Midcontinent Express Pipeline LLC  
1001 Louisiana St., Suite 1000  
Houston, TX 77002  
(713) 369-9354
