Prior to requesting an alternate Primary Receipt or Delivery Point than those listed above, please verify capacity availability with your Account Director.

The following terms and conditions shall apply to any request for this capacity that represents a discount from Natural's applicable Maximum Tariff Reservation Rate:

Discounted Secondary Receipt Points: The requested rate shall apply to service provided on a firm basis from all secondary receipt points located in the zones traversed by the primary path.

Discounted Secondary Delivery Points: The requested rate shall apply to service provided on a firm basis to all pooling and storage points within the zones traversed by the primary path, as well as to the following Market Delivery Zone points: Nicor (PIN 9258), Nipsco (PIN 909260), PGLC (PIN 909285), MidAmerican (PIN 10568), Northern Natural (PIN 900203), Northern Border (PIN 908090), Midwestern (PIN 25400 & 906107), ANR (PIN 904758 and 906104), PEPL (PIN 906103), Alliance (PIN 37207), and Guardian Pipeline (PIN 40400). Service provided on a firm basis to all other secondary delivery points not specifically set forth in this Section will be provided at the applicable maximum rate set forth in Natural's FERC Gas Tariff, as may be revised from time to time, for service to such points.

Discounted Firm Transportation Quantity Limitation: Shipper understands that the requested rate shall apply only to a total aggregate maximum daily firm transportation quantity equal to the Requested Contract MDQ (or such lesser amount as may be awarded to Shipper) for all quantities transported on a firm basis under the relevant transportation agreement and any associated capacity release replacement agreements. Any quantities transported on a firm basis in excess of the Discounted Firm Transportation Quantity Limitation shall be billed at all applicable maximum rates, charges, and surcharges set forth in Natural's FERC Gas Tariff, as may be revised from time to time.

Please reference the FastFirm Program Description for details on submitting an electronic request.
