Re: Colorado Interstate Gas Company, L.L.C.;
Docket No. CP24-124-000
Supplemental Information to Environmental Data Request

Dear Ms. Reese:

On June 20, 2024, Colorado Interstate Gas Company, L.L.C. (“CIG”), filed responses to an environmental data request (“Data Request”) issued on May 31, 2024 in Docket No. CP24-124-000 from the Office of Energy Projects (“OEP”) related to CIG’s Totem Enhanced Deliverability Project. CIG is herein filing with the Federal Energy Regulatory Commission (“Commission”) supplemental information to its responses filed on June 20, 2024.

Description of Proceeding

On April 8, 2024, CIG filed an application, pursuant to Section 7(c) and (b) of the Natural Gas Act, and Part 157.5, et seq., of the Commission’s Regulations for a certificate of public convenience and necessity and abandonment authorization to modify and enhance its existing Totem storage field located in Adams County, Colorado in order to increase the maximum withdrawal rate by approximately 50 million cubic feet per day. Specifically, CIG proposes to: (1) install six new injection and withdrawal wells; (2) replace and install various sections of storage pipeline; (3) reclassify one existing injection/withdrawal well to an observation well; (4) install various appurtenant and auxiliary facilities; and (5) inject approximately one billion cubic feet of additional base gas into the Totem storage field. The proposed project, is referred to as the “Totem Enhanced Deliverability Project”.

Description of Information Being Filed

In its responses filed on June 20, 2024 to the Data Request, CIG noted in response to Question No. 26, that certain air modeling file types could not be submitted via the Commission’s e-library system and that CIG would submit them separately. CIG his herein providing the supporting air modeling files in a “.txt” format.

Pursuant to 18 C.F.R. § 388.112, CIG requests privileged treatment of the air modeling files being submitted. CIG states that the model files contain proprietary sensitive information.

If you have any questions regarding the non-public material being filed herewith, please contact Mr. Francisco Tarin at 719-667-7517 or via email at Francisco_Tarin@kindermorgan.com.

Filing Information

CIG is e-Filing this letter and supporting air modeling files with the Commission's Secretary in accordance with the Commission's Order No. 703, *Filing Via the Internet*, guidelines issued on November 15, 2007 in Docket No. RM07-16-000.

Respectfully submitted,
