

# Natural Gas Pipeline Company of America LLC

## Available Capacity Commencing April 2018

This grid is for **Informational Purposes only** and shows available capacities as of March 5, 2018. The available capacities are subject to change without notice and the award of any capacity is subject to applicable capacity award procedures in the General Terms and Conditions of Natural's FERC Gas Tariff. Firm backhaul capacity is generally available southbound on the AM and GC Systems and East to West on the AG Line. For further information regarding available capacity and specific transportation requests, please contact your Account Director.
