Ms. Kimberly D. Bose, Secretary
Federal Energy Regulatory Commission
888 First Street, N.E.
Washington, D. C. 20426

Re: Southern Natural Gas Company, L.L.C.
Negotiated Rate Agreement Filing
Docket No. RP23-

Dear Ms. Bose:

Pursuant to Section 4 of the Natural Gas Act (“NGA”) and Part 154 of the regulations of the Federal Energy Regulatory Commission (“Commission” or “FERC”), Southern Natural Gas Company, L.L.C. (“Southern”) hereby tenders for filing and acceptance by the Commission the tariff record listed below for inclusion in its FERC Gas Tariff, Eighth Revised Volume No. 1 (“Tariff”).

Section 2.7 – Statement of Rates – Negotiated Rates

Version 33.0.0

Proposed with an effective date of July 1, 2023, the tariff record updates a contract number to reflect an agreement recently executed between Southern and Duke Energy Florida, Inc, (“Duke”). Southern respectfully requests a waiver of the 30-day notice requirement to effectuate the July 1, 2023 effective date, as discussed below.

Statement of Nature, Reasons and Basis for the Filing

This filing is submitted pursuant to the Commission’s Negotiated Rate Policy Statement issued January 31, 1996 in Docket No. RM95-6-000 (“Policy Statement”)¹. In the Policy Statement, the Commission announced that it would allow companies to implement negotiated/recourse rate programs.² Section 34 of the General Terms and Conditions of Southern’s Tariff allows Southern to charge negotiated rates.

As part of the order granting Southern the authority to negotiate rates for its services the Commission directed Southern to file either the negotiated rate agreement or a summary of the negotiated rate agreement reflecting the essential elements of such agreement as a tariff record. In this filing, Southern submits an update to its negotiated rate agreement summary found in Section 2.7 of the Tariff. As described below, the proposed tariff record updates a reference to a contract number.

¹ The Commission’s current policies were originally established in, *Alternatives to Traditional Cost-of-Service Ratemaking for Natural Gas Pipelines, Regulation of Negotiated Transportation Services, Statements of Policy and Comments*, 74 FERC ¶ 61,076 (1996), *order on clarification*, 74 FERC ¶ 61,194 (1996), *order on reh’g*, 75 FERC ¶ 61, 024 (1996). See, also, *Natural Gas Pipeline Negotiated Rate Policies and Practices, Modification of Negotiated Rate Policy*, 104 FERC ¶ 61,134 (2003).

² *Policy Statement*, 74 FERC at 61,241.

Specifically, Section 2.7 of the Tariff currently displays contract number 451200-MFTSNG with Duke. Among other things, 451200-MFTSNG provides for service between the primary receipt and delivery points using a specific contract path at a negotiated rate. Recently, Duke and SNG agreed to the utilization of a different contract path to effectuate this transportation service at the same negotiated rate.³ Accordingly, Duke and SNG executed contract number 489186-MFTSNG to accommodate the new path effective July 1, 2023.⁴ Service at the negotiated rate will be provided under this agreement. Therefore, the reference to contract number 451200-MFTSNG has been replaced on the tariff record submitted herein with a reference to 489186-MFTSNG. The new contract conforms in all material respects with the *pro forma* service agreement in Southern's Tariff.

Tariff Provisions

Southern is submitting the following tariff record pursuant to Part 154 of the Commission's regulations.⁵

Section 2.7 – Statement of Rates – Negotiated Rates is updated to reflect an updated contract number effective July 1, 2023.

Procedural Matters

Pursuant to the applicable provisions of Part 154 of the Commission's Regulations,⁶ Southern is submitting an eTariff XML filing package, which includes:

1. This transmittal letter; and
2. Clean and marked versions of the tendered tariff record in PDF format.

Southern respectfully requests the Commission accept the tendered tariff record and permit it to become effective July 1, 2023, contemporaneous with the effective date of the agreement. As such, Southern requests the Commission grant a waiver of the notice requirements as permitted by 18 C.F.R. § 154.207 (2022) of the Commission's regulations.⁷ With respect to any tariff record the Commission allows to go in to effect without change, Southern hereby moves to place the tendered tariff record in to effect at the end of any minimal suspension period specified by the Commission.

³ Southern notes that there is no change to the primary receipt or primary delivery points.

⁴ 452100-MFTSNG will remain in effect but on July 1, 2023 will no longer be associated with transportation service provided at a negotiated rate.

⁵ See 18 C.F.R. §§ 154.201 – 154.210 (2022) (Subpart C).

⁶ 18 C.F.R. §§ 154.1 – 154.603 (2022).

⁷ See, e.g., *Gulfstream Natural System, L.L.C.*, 105 FERC ¶ 61,164, at P 11 (2003).
