

General Terms and Conditions Section 1.48 of the Ruby Pipeline, L.L.C. (Ruby) FERC Gas Tariff, Original Volume No. 1, defines "Qualified Points" as valid delivery points for hourly delivery services and requires that such points be identified on Ruby's electronic bulletin board. The Qualified Points on Ruby's system include the following:

LOCATION NAME	PIN
(GPN) Gold Pan	800842

Should any of the information posted above be modified or if new information becomes available, Ruby will post updated notices as promptly as possible.

For scheduling questions, please contact the Nominations and Scheduling hotline at 1-800-238-3764, option #2.
