# *Disclaimers*

---

- Anticipated Impacts are estimates. Actual nominations, market demand, weather and pipeline conditions, etc. will determine if, and through what level, restrictions become necessary.
- Unless otherwise stated, all scheduled dates represent gas days as defined in the Southern Natural Gas Pipeline tariff to mean a period of twenty-four consecutive hours, beginning and ending at 9:00 a.m. (Central Clock Time).
- Scheduled dates are subject to change.
- Projects may be added, altered, delayed or cancelled.
- SNG will provide notice of such additions or changes via Southern's electronic bulletin board postings.
- Dates as posted on the EBB should be deemed correct in the event of conflicts between the EBB posted dates and dates within this presentation.

# *Color Key for Maps*

---

- Yellow
  - Restrictions are possible
  - With extended duration, restrictions could be necessary from time to time
  - Lower than normal pressures may be experienced
  - Meter(s) affected are noted with (PIN #)
- Red
  - Restrictions are probable
