Nature, Basis and Reasons for the Proposed Tariff Changes

On March 12, 2018 Southern filed a Stipulation and Agreement ("Settlement")¹ with the Commission that provided for a reduction in rates effective September 1, 2018 and for a further reduction in rates effective September 1, 2019. Southern submitted the instant Settlement as provided for in Article V, Paragraph N, as amended, of the 2013 Settlement² which required Southern to file either (i) a NGA Section 4 general rate case, or (ii) a pre-filing settlement on or

¹ Docket No. RP18-556.

before May 1, 2018. The Settlement contained *pro forma* tariff records to take effect on September 1, 2018 (“September 2018 Rates”)³, which provide for a 1 percent reduction in general system-wide transportation and storage rates, along with *pro forma* tariff records to take effect September 1, 2019 (“September 2019 Rates”)⁴, which provide for an additional 7 percent reduction in general system-wide rates, for an overall reduction of 8 percent. On May 30, 2018, the Commission issued a Letter Order⁵ approving the Settlement and directing Southern to file actual tariff records as provided for in the Settlement. Accordingly, Southern hereby submits the actual tariff records listed above to implement the September 2018 Rates. Thirty to sixty days prior to September 1, 2019, Southern will file with the Commission the September 2019 Tariff Rates to be effective September 1, 2019.
