Washington, D.C. 20426

Attention: Ms. Debbie-Anne A. Reese, Secretary

Re: Quarterly Fuel Gas Reimbursement Update Filing;
TransColorado Gas Transmission Company LLC;
Docket No. RP26-

Commissioners:

TransColorado Gas Transmission Company LLC ("TransColorado") tenders for filing and acceptance by the Federal Energy Regulatory Commission ("Commission") the following tariff record to its FERC Gas Tariff, Third Revised Volume No. 1 ("Tariff"):

Fuel Gas and L&U Rates, Section Version 31.0.0

Pursuant to the procedures set forth in Section 12 of the General Terms and Conditions ("GT&C") of the Tariff, the submitted tariff record proposes an effective date of October 1, 2026, for the Fuel and Lost and Unaccounted for ("L&U") Reimbursement Percentages of 1.31% and 0.00%, respectively.

Reason for Filing

GT&C Section 12.9 of the Tariff states that the Fuel and L&U ("FL&U") Reimbursement Percentages shall be computed quarterly using the procedures described in that section. In accordance with those procedures, TransColorado is to file FL&U Reimbursement Percentages to be effective no later than three months following the effective date of the immediately prior FL&U filing, which was in Docket No. RP26-889-000. The FL&U percentages set forth in that filing were accepted by the Commission on June 12, 2026, and became effective July 1, 2026.¹ The FL&U Reimbursement Percentages reflect both the projected current period FL&U volumes and any volumetric over/under-recovery from the previous period(s).

Description of Filing

In accordance with the provisions of Subpart C of Part 154 of the Commission's regulations² and GT&C Section 12.9 – Fuel and L&U of TransColorado's Tariff, this filing proposes to revise TransColorado's FL&U Reimbursement Percentages.

¹ *TransColorado Gas Transmission Co.*, Docket No. RP26-889-000 (June 12, 2026) (unpublished letter order).

² 18 C.F.R. §§ 154.201 – 154.210 (2025) (Subpart C).

Derivation of the Reimbursement Percentages

Appendices A-D contain the schedules and work papers detailing computations for the proposed Fuel and L&U Reimbursement Percentages. The data collection period is the three-month period ending two months prior to the date of this filing.³ Therefore, this filing utilizes the data collection period of April 2026 through June 2026. Appendix A, Schedule 1 demonstrates the calculation of the Fuel Reimbursement Percentage. As compared to the previous filing, the Fuel Current Reimbursement Component Percentage decreases from 1.36% to 1.27%.⁴ The Fuel Adjustment Reimbursement Component Percentage decreases from 0.09% to 0.04%,⁵ resulting in a decrease in the total Fuel Reimbursement Percentage from 1.45% to 1.31%.⁶

Schedule 2 of Appendix A operates similar to Schedule 1 of Appendix A to calculate the L&U Reimbursement Percentage including its components. As compared to the previous filing, the L&U Current Reimbursement Component Percentage increases from 0.25% to 0.28%.⁷ During the data collection period, TransColorado over-collected 62,659 Dth of L&U; however, the projected L&U for October through December 2026, is 42,137 Dth.⁸ GT&C Section 12.9(c) of TransColorado's Tariff states that neither the Fuel Reimbursement Percentage nor the L&U Reimbursement Percentage shall be less than zero. Therefore, 42,137 Dth of the over-collection will be included in the L&U Adjustment Reimbursement Component Percentage, resulting in a decrease in the L&U Adjustment Reimbursement Component Percentage from negative 0.08% to negative 0.28%⁹ and a total L&U Reimbursement Percentage decrease from 0.17% to 0.00%.¹⁰ The remaining 20,522 Dth¹¹ that would have caused the L&U Reimbursement Percentage to be less than 0.00% will be deferred to a future filing.

Section 154.204 Discussion

Pursuant to 18 C.F.R. § 154.204 (2025), TransColorado states the following:

- (a) TransColorado does not anticipate a significant increase in revenues or costs as a result of the proposed tariff changes; and
- (b) TransColorado is not aware of any other filings pending before the Commission that may significantly affect this filing.

³ See GT&C Section 12.9 (b)(ii).

⁴ See Appendix A, Schedule 1, Page 1, Column (b), Line No. 10.

⁵ See Appendix A, Schedule 1, Page 1, Column (b), Line No. 11.

⁶ See Appendix A, Schedule 1, Page 1, Column (b), Line No. 12.

⁷ See Appendix A, Schedule 2, Page 1, Column (b), Line No. 12.

⁸ See Appendix A, Schedule 2, Page 1, Column (b), Line No. 10.

⁹ See Appendix A, Schedule 2, Page 1, Column (b), Line No. 13.

¹⁰ See Appendix A, Schedule 2, Page 1, Column (b), Line No. 14.

¹¹ See Appendix A, Schedule 2, Page 1, Column (b), Line No. 8.

Procedural Matters

In accordance with the applicable provisions of Part 154 of the Commission's regulations,¹² TransColorado is submitting an eTariff XML filing package, which includes the following:

- a) a transmittal letter;
- b) Appendices A-D, work papers in PDF format; and
- c) Clean and marked versions of the tariff records.

TransColorado respectfully requests the Commission accept the tendered tariff record for filing and permit it to become effective on October 1, 2026, which is not less than 30 days or more than 60 days prior to the proposed effective date. With respect to any tariff provisions the Commission allows to go into effect without change, TransColorado hereby moves to place the tendered tariff provisions in to effect at the end of any minimal suspension period specified by the Commission.

Correspondence and communications concerning this filing should be directed to:
